36 CARDS / COUPLES

1. Cut along the dotted lines and shuffle the truths and the dares into two piles.
2. Players sit in a circle. On your turn, pick a pile and read the top card out loud.
3. Answer the truth honestly or do the dare. Anyone may pass once per round, no questions asked.
4. Agree on the house rules first: what is off limits, and that a no always means no.
5. Then hand the turn to the left. Play until the piles run out or everyone has laughed enough.

Made with Pluckdeck, pluckdeck.com. Play the same cards free on your phone.
